

Integrated care – a view from Denmark

Inge Kristensen

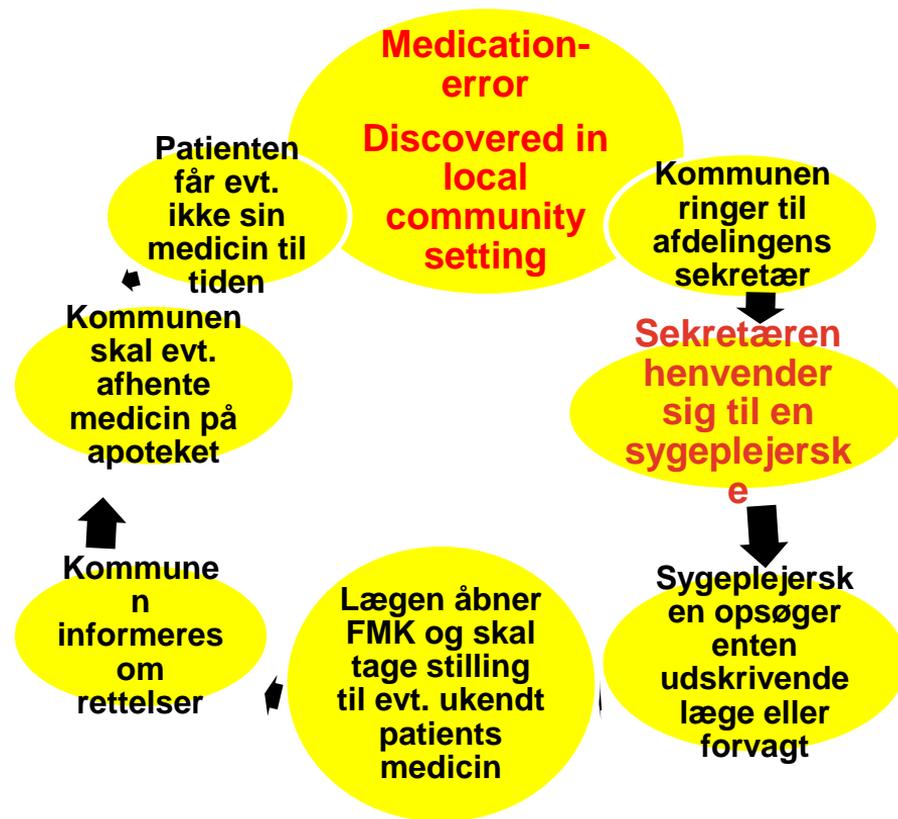

“The treatment of an illness should be perfectly objective; the treatment of a patient should be deeply personal...”
“...for the secret of the care of the patient is in caring for the patient.”

**The Care of the Patient,
JAMA 1927**

**Dr. Francis Peabody
Harvard Medical School**

A case...

- Spielmeyer-Vogt disease/Batten disease

Fatal disease of the nervous system that typically begins in childhood.^[1] Onset of symptoms is usually between 5 and 10 years of age.

New Health Care Reform in Denmark

- (Reinvention of) small community hospitals
- (Reinvention of) Health Care Clusters

If that is the answer....
